Our Services and Products

Third-Party Shipment Consolidation – "Rased" Service

We offer third-party shipment consolidation services through the (Rased) service. The Saudi Food and Drug Authority (SFDA) established the electronic tracking system (Rased) as part of Saudi Arabia's Vision 2030 initiative. This system adopts the latest technological methods to track and trace all pharmaceutical products manufactured locally or imported into the Kingdom.

Vaccines

We work diligently to provide a wide range of vaccines that contribute to community health and cater to different age groups.
